Bloomfield College is located in Bloomfield, NJ, on a 15-acre tree-lined campus only 15 miles from New York City. Bloomfield was settled in 1666.

Philadelphia, Boston and Washington, D.C., are all within a short train, car, or bus ride away.

New Jersey has an unmatched natural appeal and diversity of attractions that encompass history, the arts and world-class entertainment.

The New Jersey Shore has 130 miles of scenic Atlantic coastline, terrific beaches, legendary boardwalks and vibrant seaside towns. Great state parks and campgrounds are located in Northern New Jersey. New Jersey is home to some convenient and affordable alpine offerings, such as skiing, snowboarding, snow tubing, ice skating, ice fishing, snowmobiling and more.
New Jersey, known as “The Garden State,” produces a variety of fruits and vegetables. New Jersey ranks: 4th in peach production, 5th in blueberry production, 3rd in cranberry production, 3rd in spinach, and 3rd in bell peppers. The state also produces an abundance of tomatoes, corn, apples, strawberries and potatoes.

The New Jersey/New York area has more sports teams than any other metropolitan area in the world. They have combined for 5 Super Bowl wins, 8 Stanley Cups, 29 World Series wins, and 2 NBA championships.

The Theatre District in Manhattan is home to 40 professional theaters. Each of these theaters seats 500 or more people. They host a constantly changing variety of productions, including plays and musicals. Many people believe the theatrical productions on Broadway are the best in the world.

Global Pathway Program at Bloomfield College

The College’s Undergraduate Pathway Program

Guaranteed Progression
Upon successful completion of the Bloomfield College Pathway program, students are guaranteed a place in their chosen degree program. They will not be required to fill out a new application when they progress to their second year at Bloomfield College. All students who progress to their second year, will receive a $7,000 scholarship per year.

Save Time & Money
Bloomfield College Pathway students save time and tuition, because students earn credits which count toward their bachelor’s degree, while improving their English proficiency. Bloomfield College’s Pathway Program includes intensive ESL courses, TOEFL PREP classes, and credit-bearing academic courses that can be transferred to a student’s undergraduate degree program.

Immersion Into American College Life
Bloomfield College Pathway students benefit from learning and living on a diverse campus that is only 15 miles from New York City. Students will be able to access academic resources, university facilities, health center services, and student clubs and associations. They will be welcomed as a student at Bloomfield College from the first day. Interacting with American students through the many organizations on campus will increase their language acquisition and cultural assimilation.
